

REMARKS

This paper is provided in Response to the Communication mailed on April 30, 2004 in which the Examiner indicated that the computer readable form of the sequence listing did not appear to match the present application or the paper copy included therewith.

In response, Applicants provide herewith a substitute computer readable form of the sequence listing. The information contained in the computer readable form (floppy disk) was prepared through the use of the software program "PatentIn" and is identical to that of the paper copy previously provided.

If a telephone conference would expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (510) 337-7871.
